UK Product Compliance Report (A)

A.	Model name	PlayStation®4	Model number	CUH-2216	< 20 W	<input type="checkbox"/>
	Console type	Ultra high-definition media capable	Status	Existing console (provide link for previously submitted PCR below)		
Additional model information		Minor revisions to existing model CUH-2116A/B				

Section 1.a

The following information and documents are submitted in support of this declaration by the references provided		References to documentation / hyperlink
1.1	Information on the energy-saving potential of power management. (Section 3.1)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign
1.2	Information on default regulatory standby mode when the Games Console is powered-down. (Section 3.1)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign
1.3	Information on the default auto power-down time settings. (Section 3.1)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign
1.4	Information on how to change time settings for auto power-down. (Section 3.1)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign
1.5	References to further information on other available low power modes. (Section 3.1)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign

This UK PCR is submitted for compliance with the Games Console Voluntary Agreement (UK SRI version 1.0).

For further information please see: <https://www.efficientgaming.info/uk.html>

UK PCR version: 1.0

Date: 25/02/2022

1.6	Information on console power consumption of navigation, media play, gaming, regulatory standby mode(s) and other user-enabled low power conditions. (Section 3.1)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign
1.7	Information on availability of end-of-life processing, refurbishment, out-of-warranty services. (Section 3.2)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign
1.8	Information on product life extension: explanation on how to keep the consoles in good working condition. (Section 3.2)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign
1.9	Information on product life extension: how to delete personal data. (Section 3.2)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign
1.10	Information on product life extension: options available (if any) to consumers to upgrade the performance of their consoles. (Section 3.2)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign
1.11	Clear and consistent information, based on CENELEC standards, regarding the reparability of the console is available. (Section 3.2)	Access the PS4 Safety Guide CUH-2200-series here: https://www.playstation.com/en-gb/support/hardware/manuals/#ps4 Then see page 3 'Product Ecodesign' for link to information URL: playstation.com/Ecodesign

Section 1.b

The Signatory company also confirms via this Product Compliance Report the following		Confirmed by the Signatory
1.12	Technical documentation, as requested in Section 3.2.2, is made available to authorized repair services.	<input checked="" type="checkbox"/>
1.13	Product disassembly instructions, as requested in Section 3.2.2, are made available to repair and recycling operations.	<input checked="" type="checkbox"/>

This UK PCR is submitted for compliance with the Games Console Voluntary Agreement (UK SRI version 1.0).

Notes for Independent Inspector

#	Notes	Regarding
	<p>Consumers can find a link to all information required by the SRI in the Safety Guide manual provided with the console. The link can be found under the manual heading 'Product Ecodesign' for all models in scope. The link is playstation.com/Ecodesign</p> <p>To demonstrate how the consumer would find this information, website links to each online product manual have been provided in this PCR submission – in addition to the direct link to the information.</p> <p>Website links to product manuals are subject to change with updates made to the PlayStation website. This means that links to the manuals may be outdated when viewing old PCR submissions. Online manuals may also be accessed directly through the PlayStation website, by navigating to 'Site Map > Support > Online Manuals' at the bottom of the playstation.com website homepage.</p> <p>To access the information directly from the PlayStation website, navigate to 'Legal > Ecodesign' at the bottom of the playstation.com website homepage.</p> <p>Should these instructions change in the future as the PlayStation website evolves, the link playstation.com/Ecodesign as provided in the product manuals will always be directed to the latest information requirements.</p> <p>When accessing the link playstation.com/Ecodesign the user will be directed to a local version which depends on the country it is accessed in. When accessed in the UK, information provided will be in accordance with the UK Games Console Voluntary Agreement. When accessed in EU countries, the information provided will be in accordance with the EU Games Console SRI and displayed in the local language.</p> <p>Links to previous PCR submissions may also be found on the GCVA website www.efficientgaming.info by navigating to 'Compliance > Product Compliance Reports (PCR)'</p>	Accessing information requirements, manual and website links, local information
